Professional Summary

Frontend Developer with a strong background in Computer Science (Software Industry & Multimedia). Specialized in **React.js** and **Next.js**, with hands-on experience in building responsive and scalable web applications. Skilled in **TypeScript**, **Tailwind CSS**, **REST APIs**, and **modern frontend practices** including component-based architecture, state management, and performance optimization. Passionate about delivering high-quality user experiences through clean and maintainable code.

Technical Skills

Frontend: React.js, Next.js, TypeScript, JavaScript (ES6+), HTML5, CSS3, SASS, Bootstrap 5, Tailwind CSS, Styled Components

State Management & Data: TanStack Query, Redux, Context API, REST APIs, GraphQL, JSON, AJAX

Additional Tools & Libraries: NextAuth.js, React Hook Form, Zod, shadcn/ui, DaisyUI, lucide-react

Programming Fundamentals: OOP, Data Structures, Algorithms, Databases

Version Control & Deployment: Git, GitHub, Vercel, npm, yarn, pnpm

Projects

E-Commerce Web App (Next.js)

- Built a responsive e-commerce platform with product listings, cart, and checkout.
- Implemented authentication with **NextAuth.js** and form handling using **React Hook Form + Zod**.
- Styled with **Tailwind CSS + DaisyUI** and icons via **lucide-react**.
- Deployed on **Vercel** with optimized performance.

Social Media App (React.js + TanStack Query)

- Developed a social app with reusable components and server-state management.
- Used **React Hook Form + Zod** for form handling and validation.
- Designed UI with **shadcn/ui** and **lucide-react**, integrated APIs via **TanStack Query**.

Tutor Mobile Application (Graduation Project)

- Mobile app to connect students with private tutors.
- Features: tutor search, booking sessions, and user management.

Education

B.Sc. in Computer Science – Software Industry & Multimedia
Faculty of Science, Alexandria University | 2019 – 2023 | GPA: 3.5

Certifications

- **Frontend Web Development – Route Academy** (React.js, Next.js, TypeScript, APIs, Git, Vercel)
- **Problem Solving – Coach Academy** (Data Structures & Algorithms)
- **Mobile App Development Training – ITI**

Soft Skills

Problem Solving | Time Management | Teamwork & Collaboration | Adaptability | Remote Work

Languages

Arabic: Native | English: B2 | French: A2
